PUBLIC SERVICE
COMMISSION

Dear Director:

We the people of Oldham Woods Subdivision have been subjected to a seventy five percent increase in our sewer rates in the past few months. (From \$20 to \$35)

Oldham Woods Sanitation, with the approval of the Public Service Commission intends to get an additional \$1.05 per month tacked on to this increase making our total bill \$36.05 a month for sewer alone.

This is absolutely ridiculous and adding insult to injury in these difficult times.

The people of Oldham Woods Subdivision are enclosing a petition with the signatures of those living here to protest this added insult, and are enclosing all letters pertaining to the above to the Attorney General along with a copy of this petition.
